Company Data

- Company Name : Gunung Cendana Persada, PT
- Office : Wijaya Machinery Building
- Jl. Pakin No. 2 A – B
- Jakarta Utara 14440 - Indonesia
- Workshop : Jl. Pakin No. 2
- Jakarta Utara 14440 - Indonesia
- Phone : (62 21) 668 0309, 668 2257
- Fax : (62 21) 668 2176
- Email : sales@grecomp-air.com
- Website : www.grecomp-air.com
- Specialization : Air Compressors and Accessories
- Brand Name : GreComP®
- Organization : Sandy Wijaya (Commissioner)
- Sucipto (Managing Director)
- Investment : USD 150,000.00
- Total Area : 1,000 m² (Office & Workshop)
- Num. of employee: 20 person
- Bank Account : Bank Central Asia (BCA)
- Sister Company : **AKS, CV**
- Trading for Wood and Metalworking Machinery
- **Wijaya Machinery, CV**
- Sells used Japanese Metalworking Machinery
- **Mitra Baja Kencana, PT**
- Steel Stockiest and Suppliers
- **Inti Karya Semesta, PT**
- Metal Stamping and Fabricator

Company Preview

Dear Customer,

Gunung Cendana Persada, PT builds screw compressor unit for customers for more than 100 national companies. Innovative products, strict quality standards and nationwide sales activity are hallmarks of the Company.

Gunung Cendana Persada, PT is a member of the AKS Group industrial machinery seller, cooperating with Rotorcomp Verdichter GmbH, Germany air-end manufacture which has over 50 years experience in the manufacture of screw air-end and piston blocks compressors. By focusing on screw compressors since its establishment in 2005 and by promoting a global customer base, Gunung Cendana Persada, PT has become established wherever compressed air is used.

Our product range, from screw air compressor up to customized compressor units for special applications, has secured our position in the market.

Rotorcomp designs and manufactures screw air ends, encapsulated screw blocks, components and accessories. These are sold exclusively to compressor packagers as Gunung Cendana Persada, PT and provide a reliable base for outstanding compressor systems.

The success of **GreComP's** product range is rooted in years of designing and manufacturing experience. Innovative ideas help us maintain a leading edge and also Customer's trust.

Sucipto
CEO

Product Range

- Piston Compressor (3 – 15 HP)
- Screw Compressor (15 – 200 HP)
- Booster Compressor
 - Piston Type
 - Screw Type
- High Pressure Piston Compressor
- Oil-Free Air System
 - Eco Tec Converter (Oil Vapor 0.001 g/m³)
 - ISO 8573-1 Approved

- Air Receiver Tank
 - 500 Liter
 - 1000 Liter
 - 2000 Liter
 - 3000 Liter

- Accessories
 - Pressure Regulator
 - Mist Separator, etc

- Air Dryer
 - Refrigerated Type (3 ~ 10 °C Dew Point)
 - Desiccant Type (-40 ~ -100 °C Dew Point)

- Line Filter
 - Pre Filter (1 micron)
 - After Filter (0.01 micron)
 - Activated Carbon (0.003 micron)

About Product

GreComP®

With the experience, knowledge and know-how that have been accumulated throughout many years, GreComP® has been able to develop excellent performance, high efficiency, high reliability, and low noise oil injected rotary screw air compressors.

Cooperating with Germany air end manufacture and local assemblers, GreComP® provides the best quality oil injected rotary screw air compressors to all the customers.

By employing high performance and long life air end, reliable intake valve, high efficient aluminum air/oil cooler, our compressors have been designed and built for Trouble-free Operation, High Quality & Efficient and Low Maintenance under the most severe operating conditions.

- **Quality Assurance and Reliable**
- **Excellent Efficiency**
- **User-friendly controller**
- **Simple and easier installation**
- **High quality compressed air**
- **Compact and easy to maintain**
- **Reduce downtime**

**Compact Design
5 - 100 HP**

We offer comprehensive Compressed Air Solutions. Our products are widely used in every field of industry from a small range workshops to even the most stringent heavy industries such as:

Oil & Gas

Steel Manufacturing Plant

Automotive Industries

Plastic Industries

Food Industries, etc

Choose the suitable compressor for your industrial application

Make your decision now!

GCP Series

Simple & Compact – GreComP®

adopting Rotorcomp's Encapsulated Units - NK Range

Made in Germany

oil injected NK-Range, designed for a power range from 2-75 kW (3-100 hp) has taken the compressor market by storm. Customers value the reliability, compact design and easy handling of this product range. NK-Modules incorporate seven components in a single housing: air filter, intake valve, air end, oil receiver, separator system and thermostat.

GreComP®

We develop, design and build packaged units adopting encapsulated air ends, custom-build compressor units and accessories. Yet, we do not manufacture the air ends and component, but we combined and assembled high quality products and sell exclusively through our nation wide loyal customer.

ISO 9001 quality norms and our innovative product range warrant for trouble-free and technically sound compressor solutions

Performance Improvement

Gunung Cendana Persada, PT was founded in January 2005. With years of experience, development and a touch of German Technology, we've managed to create an air compressor product, starting from designing, fabricating and assembling. Producing numbers of packaged compressor unit with high quality compressed air sold all over nation.

Our main line of business is produce, sales, service and renting air compressor unit. We also have sales engineers to help you Design good air compressed technology in your factory with 24 hours after sales service technician ready to maintain or repair your compressor unit. We also have workshop and fabricating division to support you in every scope of your industrial needs. We believe our company can support your industries and market and getting it to the next level.

Know-How Is Our Profile

Our innovative quality product range warrant for trouble-free and technically sound compressor solutions. Your partner for the compressed air technology.

Since 2005 Gunung Cendana Persada, PT has grown to become a prominent, globally active corporate company, known for reliable, top of the range compressors.

The product range includes industrial air compressors, booster compressors and processing, storage and distribution systems as well as screw compressors, air dryers, custom-built units for special application and accessories.
